

Purchasing Terms and Conditions

ALL SUPPLIERS

Any delay in shipment for any reason must be conveyed to F & L Tools purchasing as soon as the delay is known by supplier

Any changes to the contract requirements by the supplier must be approved by F & L Tools in writing.

All information in the contract must be held in confidence by the supplier and no third party request for information will be authorized unless instructed in writing by F & L Tools representative.

In addition to F & L Tools right of entry, the supplier agrees to right of entry for our customers, or regulatory agencies, to all facilities and records in the performance of this contract.

All applicable requirements must be flowed down to sub-tier suppliers.

Suppliers are required to notify F & L Tools quality departments prior to transferring any F & L Tools work to a new facility. F & L Tools Q.A. Manager will determine prior to the transfer if suppliers may perform the transfer of work.

Suppliers are required to notify F & L Tools quality departments of nonconforming product and to make proper arrangements for approval.

The supplier shall maintain adequate records of all inspections and tests. Records shall be kept for a period of ten (10) years after final payment for supplies or services.

All work must be processed per latest revision unless otherwise instructed on purchase order. Material Safety Data Sheets (MSDS) and/or certificates of compliances must be provided for restricted, toxic or hazardous substances.

Notify F & L Tools of changes in product and/or process definition and, where required, obtain F & L Tool's approval.

Compliance to AC7004, iso 9001 or AS9100 Quality Management Systems.

In addition to F & L Precision Machining right of entry, the supplier agrees to right of entry for our customers, or regulatory agencies, to all facilities and records in the performance of this contract. The must also ensure that all persons are aware of contribution to product conformity, their contribution to product safety, and the importance of ethical behavior.

All applicable requirements must be flowed down to sub-tier suppliers.

MACHINING SUPPLIERS

Machining Suppliers must furnish inspection report, certificate of Conformance, and as applicable Material and Processing Certifications for the parts they submit.

First Article inspection Reports shall be submitted to F & L Tools prior to the beginning of production. The supplier assumes all financial responsibility for replacement, rework and material when product of parts has begun without First Article Inspection approval from F & L Tools
